Early Childhood Parenting Made Fun!

Creating happy families and responsible kids

Love and Logic® is an opportunity to give parents of young children practical and proven tools for raising respectful, responsible, and happy kids. The primary mission of this seminar is to make the world a better place by helping parents raise great kids... kids who will grow to be great citizens.

Through this program, you will learn techniques that:

- Are simple and easy to learn
- Teach responsibility and character
- Change lives and lower stress levels
- Have immediate and positive effects on parents and their children
- Up the odds that when the teenage years arrive, parenting can remain fun instead of frantic.

This seminar is geared for parents of children from birth to six years of age, but anyone is welcome to attend.

Dates: October 20, November 17, January 19, February 16, March 16

Time: 6-8 pm

Location: ECDC Big Room

Cost: \$25 per family. Includes one workbook, and pizza dinner for all.

Activities for the children will be provided by the preschool staff.

You must sign up in advance by completing the form on the opposite page and returning it with \$25, to the Preschool Office.
